RE: Recall Announcement (ODA/ODH) 2019-107

### **Crab House Trading Corp. Recalls Siluriformes Products Produced without Benefit of Inspection**

**7/11/2019 - Note:** The original recall document released by USDA (see text below) did not indicate this product had been distributed in Ohio or any state adjacent to Ohio. On July 3, 2019, USDA released a list of retail locations where the recalled products are believed to have been distributed. Upon review of the distribution list, it was learned that the recalled products had been distributed in Ohio and some neighboring states, so the recall is now being distributed by ODH/ODA. The list of retail locations in Ohio and neighboring states is included with this recall.

**WASHINGTON, May 15, 2019** – Crab House Trading Corp., a Los Angeles, Calif. establishment, is recalling approximately 49,000 pounds of frozen Siluriformes products, specifically yellow walking fish, that were produced without the benefit of federal inspection, the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today.

The following products are subject to recall: [[View Labels](#) (PDF only)]

- Various weight vacuum-sealed packages containing frozen “TRIPLE PEARL HEADLESS-CLEANED YELLOW WALKING FISH CA TRE VANG LAM SACH – CAT DAU” and may have best before dates of 20210203 or 20201225 or no date at all represented on the label.

These items were shipped to retail and wholesale locations in California.

The problem was discovered by FSIS during follow-up surveillance activities.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about a reaction should contact a healthcare provider.

FSIS is concerned that some product may be in consumers’ freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers and members of the media with questions about the recall can contact Jose Benitez, Office Manager, Crab House Trading Corp., at (213) 627-6398.
