

FOOD DRIVE

To benefit Ottawa and Sandusky County Food Pantries

In the wake of COVID-19, our local food pantries need our help more than ever. Combined efforts to replenish food items are being coordinated by Ottawa County Commissioner Mark Stahl and Sandusky County Commissioner Russ Zimmerman. Powered by the Eagle Bay District of the Erie Shores Council, Boy Scouts of America, along with assistance from our local fire departments and sheriff departments as drop-off points, we hope to provide much needed support for families throughout Ottawa and Sandusky County. Please bring grocery items to any of the locations listed below - All donations will be taken to local food pantries.
